SIR:

Appellant notes that a Decision from the Board of Patent Appeals and Interferences was mailed on January 31, 2006. In the decision, the Board sustained the Examiner's rejection of Claims 9-14, 21, 22 and 24, but did not sustain the rejection of Claims 25 and 27-29. Accordingly, Appellant should have received an Office Action from the Patent Office regarding the claims for which the rejection was not affirmed by the Board. Instead, the Patent Office mailed a Notice of Abandonment dated May 3, 2006. Accordingly, Appellant respectfully requests that the Patent Office re-open prosecution of this application. Applicant hereby authorizes the Commissioner to charge additional fees which may be required, or to credit any overpayment, to Deposit Account No. 50-0595. *A duplicate copy of this sheet is enclosed for this purpose.*

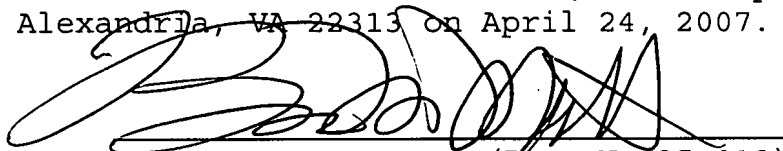

Respectfully submitted,
